Will do. I'll let you know if there are any issues.

Thanks,

One more follow-up just for you, Joe.

- 1) Please forward my previous emails (letter distribution and press release warning) to John Prince and Tom Lieber. I do not have their email addresses. Also please forward to them any follow up emails from DEC (i.e. press release.)
- 2) While I removed the lines about EPA involvement in facility shut down at your request, we wanted to leave in the lines about DEC involvement. Hopefully this does not cause heartburn. Mike says don't hesitate to send a qualified acceptance (i.e. we accept RA but want to be clear that EPA is not involved in overseeing shut down.)

Thanks for your help.

Jim

As a follow-up to the RA request transmittal, we expect a press release from NY to be issued soon regarding the shut-down of the facility. We will forward it to this distribution upon our receipt. As always, any questions please call my cell anytime.
